

**REMARKS**

The Office has made a final restriction requirement regarding the claims and has removed claims 9-14 and 16-23 from consideration. Claims 1-5 and 8 are amended and claims 9-14 and 16-23 are canceled.

The Office rejected claims 1-8 under 35 U.S.C. § 112, second paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter which Applicant regards as the invention. Claims 1-5 and 8 are specifically rejected for having insufficient antecedent basis for a limitation within the claim. The Applicant has amended claims 1-5 and 8 to address the Office's rejection. Accordingly, the Applicant respectfully requests withdrawal of the rejection.

In light of the above, Applicant believes that the application is in condition for allowance and respectfully requests a timely Notice of Allowance be issued in this case.

Respectfully submitted,

Derek C. Stettner  
Reg. No. 37,945
